The Monaco Grand Prix weekend with Amber Lounge was simply magnifique! The Amber Lounge team organized paddock and grid access which was just the most incredible experience and to then watch the race, trackside from the Amber Lounge Yacht, finished the day in a perfect way!

BLAISE MATUIDI, 2018 FOOTBALL WORLD CHAMPION

There's no better way of spending the iconic Monaco Grand Prix weekend than with Amber Lounge! It truly is an exceptional experience from start to finish.

PAMELA ANDERSON,
ACTRESS, MODEL

It is awesome to be part of an Amber Lounge event which raised over half a million USD for Race Against Dementia. The catwalk itself is always a lot of fun and very different to my daily life.

CHARLES LECLERC,
F1 DRIVER - SCUDERIA FERRARI

A truly unforgettable first time F1 experience. From the race viewing onboard the yacht to the amazing dining experience, Amber Lounge was absolutely fantastic. The After Party was awesome!

OLIVIA CULPO,
ACTRESS, INFLUENCER AND ENTREPRENEUR

There isn't a better place to watch the Monaco GP than on-board the Amber Lounge Yacht, location, food and ambiance were awesome. I couldn't celebrate too much at the Amber Lounge After Party due to my training schedule but my guests had a ball!

“

“Amber Lounge F1® Drivers Charity Fashion Show are one of the hallmarks of the glamorous Monaco Grand Prix weekend. I was touched and extremely grateful that Amber Lounge chose my foundation Race Against Dementia, as their charity partner. My wife Helen sadly suffers from dementia and the staggering amount raised will help to find a cure for this terrible illness.”

Sir Jackie Stewart

Charities

Amber Lounge’s ground-breaking charity auction has raised more than USD 6 million for charitable organisations including, Sir Jackie Stewart’s, ‘Race against Dementia’, the Elton John AIDS Foundation, Special Olympics and the Nelson Mandela Children’s Fund. We also support a range of other notable causes, targeting help where it is most needed.

Another memorable year at Amber Lounge comes to a close as 2019 has seen over 5,000 guests witnessing outstanding performances from international artists Ella Eyre, Sigma and Amber Lounge resident DJ Sigala as well as a multitude of performing artists, musicians and contortionists. Victoria Secret's model Josephine Skriver and TV star Olivia Culpo were amongst the celebrities to join the celebrations, alongside 22 F1® legends and drivers including Valtteri Bottas, Charles Leclerc and 2-time F1® World Champion Mika Hakkinen. We have raised a huge sum of money for charities including Sir Jackie Stewart's Race Against Dementia and Make-A-Wish Singapore.

I would like to say a special thank you to our partners and everyone who have supported and helped Amber Lounge to be seen as the ultimate hosts in relaxation, networking and of course, partying.

I look forward to an even better year in 2020 and hope to see you somewhere in the world.

Sonia Irvine
