ASTON MARTIN LOUNGE

WE ARE HYPER-FOCUSED, NOW AND ALWAYS.

THE 2024 SEASON AT A GLANCE

WE ARE NOT JUST COMPETING, WE ARE CHANGING THE GAME.

Join us as we continue our ascent in year four of our Formula One® journey, following Aston Martin's return to the sport in 2021.

Building on our best season to date, we're channelling our energy into what matters, refining our focus, and harnessing our collective will in our relentless pursuit of progress.

Fernando Alonso embarks on his second year with the team after a captivating first year in green saw him reach the rostrum on eight occasions, taking his tally of F1® podium finishes to 105. Feared by rivals for his ceaseless combativity, the double World Champion has lost none of the speed and guile that have defined an F1® career spanning more than two decades.

The 2024 campaign marks Lance Stroll's eighth in F1 and his fourth with the team. A mercurial talent from Canada, his steely determination and focus have characterised his F1® career: partnered against race winners and World Champions alike, he has always held his own.

We're ready for the 2024 season and focused on what matters, on and off the track – and we're excited to have you along for the ride.
